

# STUDIO CITY MARTIAL ARTS

## Testing Demonstration Rates

*effective April 1<sup>st</sup>, 2022*

### TESTING INVOICING POLICY

After belt test is complete, a testing invoice will be emailed out to parents/students with a due date listed. Invoice will be processed to payment method on file unless parents/student request a different payment method before due date. Late fees are applied to any unpaid invoices not paid within five days of due date.

**JUNIOR BELT TESTING** demonstrations are conducted as private or semi-private sessions. This allows instructors to provide individual one-on-one feedback to each student as they progress through the program.

**ADULT BELT TESTING** demonstrations are conducted during class time (except Ore Belt & Black Belt). This allows for instructors to utilize many different students as uke partners and provides students the opportunity to observe and take notes on each test. Often Sensei discusses topics that apply to all students and their training, so observation of testing is beneficial and important for all students.

### Junior Program

Yellow Belts . . . . .	\$70 <sup>00</sup>
